A. The 75% Attendance & Classroom Discipline Rule

Federal University Dutse strictly enforces mandatory 75% lecture attendance for exam qualification. Arrive 10 minutes early for lectures, sit in the front rows, and take active personal notes during classes.

B. Continuous Assessment (CA) & Past Questions Bank

Continuous Assessment accounts for 30% to 40% of your total course grade. Treat all tests, practicals, and term papers with maximum seriousness. Take advantage of the YOSU Free Past Question Bank & Academic Tutorials led by the Academic Directorate.

C. Library & Research Engagement

Dedicate a minimum of 10 to 15 hours weekly to private study at the FUD Main Library or Faculty E-Libraries.

CRITICAL WARNING ON CAMPUS VICES

Examination Malpractice, Secret Cultism, Illicit Substance Abuse, and Cybercrime (Yahoo-Yahoo) carry immediate EXPULSION from Federal University Dutse and criminal prosecution by law enforcement agencies.

- **Examination Malpractice:** Bringing unauthorized materials, phones, smartwatches, or "expo" into exam halls results in expulsion. Defend your degree with integrity.
- **Secret Cultism:** Cultism is illegal and life-threatening. YOSU maintains zero tolerance. Solicitation or threat must be reported to the Disciplinary Officer or University Security immediately.
- **Substance Abuse:** Avoid illicit drugs, codeine, or addiction. Protect your mental health and academic future.
- **Dress Code Compliance:** Adhere strictly to FUD Senate guidelines on decent attire in lecture halls, offices, and library premises.

Jigawa State is a serene, hospitable host environment. Show high respect to the Hausa/Fulani host community Islamic traditions, and local customs in Dutse township, Garki, Rasheed Shekoni quarters, and off-campus residences. Resolve disputes peacefully through the Executive Council or Disciplinary Officer.
